o@gmail.com

📍 Kaduna State, Nigeria

CAREER OBJECTIVE

I am an enthusiastic and detail-oriented front-end developer intern eager to apply and expand my skills in a dynamic and collaborative work environment. I am seeking an internship opportunity where I can contribute to the development of user-centric and visually appealing web applications. With a strong foundation in HTML5, CSS3, and JavaScript, I aim to gain practical experience in utilizing modern front-end frameworks, enhancing my problem-solving abilities, and working alongside experienced developers.

EDUCATION

B.Sc. in Microbiology

Fountain University Osogbo,
Nigeria
10/2015 - 07/2019

EXPERIENCE

CLASSROOM TEACHER

Al Aleem Academy| 01/2021 -08/2023

- Worked cooperatively with other teachers and parents to help students reach learning opportunities.
- Incorporated multiple types of teaching strategies into classroom.
- Evaluated and revised lesson plans and course curriculum to achieve student centered learning.
- Graded and evaluated students' homework and papers.

GRADUATE TEACHING ASSISTANT

NYSC | 11/2019 - 11/2020

- Communicated with parents to provide updates on student development through the school year.
- Assisted in answering students' questions, enabling the teacher to complete 96% of lesson plans on time.
- Mentored students through office hours and one on one communication.
- Graded 50+ assignments per grading period to aid the teacher.
- Led courses independently with minimal oversight from senior teachers.
